- At least two of the eight characters must be numbers.
- At least two of the eight characters must be letters.

* Confirm password

Create Account

School year
Please select a school year for your application: 2024 - 2025

Select application type

☐ I currently live in the Blair Community School District (**one parent lives in the district**).

☐ Our family anticipates moving into the Blair Community School District within the next 6 months.

☐ Any other scenario, please contact Angie Conety for further instruction by phone, 402-426-2610 or by email, angie.conety@blairschools.org

Proceed

If you have **enrolled** a student with Blair Schools since 2016-17, and you used the online enrollment process, your account is available for you to use. (Otherwise, please follow the first child instructions).

You may use the **Forgot User ID/Password** button to recover those items. (This is a separate system and is not the same as your current Parent Portal account.) By using this existing account, some of your information will be pre-populated for you to review.

Once logged in, select **Add Sibling**.

Click on 2024-2025 School Year

Please complete the application. The * are required fields and must be completed.

In Step 8 you can review and submit the application.

If you have any questions, please contact Beth Villotta at
402.426.2610 or beth.villotta@blairschools.org
